### **Additional Information:**

Attempted to contact the number on the Oath of Office request form on December 11th and 18th with no response. Our office was unable to locate the requested Oath's of Office and Bonds. There is one request that is similar to an Oath of Office on file for a different county for Larry Schwartz. If a Certified Copy for Larry Schwartz is requested, please correct the request form for that Elected Official and resubmit along with a form of payment. A few options to locate the Oath's and Bonds requested may be to contact the Clerk and Recorder's office or contact the County Court for the Officials and Elected Officials Oath's and Bonds. RE: CORA request for Oaths and Bonds

Mr. Williams,

Enclosed you will find 5 requests for certified copies of oaths of office for 5 different Judges and payment for these certified copies.

I would like copies of these as of the day that you receive this request via certified USPS mail. If no oath exists please include a letter with your seal that states this fact for each individual request.

Also please include a regular copy of each of these 5 judges' accompanying Bond or a statement again saying that no such bond exists, if that is the case.

Thank you

James Frank
